

Victorian Country VOLLEYBALL Championships

NEWSLETTER 1.

June 10th, 11th & 12th 2017

Entries

Invitations to participate in the 2017 MIXX FM Victorian Country Championships have now been issued. The event is open to any VVI affiliated association outside a radius of 40km from the Melbourne CBD.

The Organising Committee is working hard to encourage as many teams as possible to experience the excitement of this pinnacle event on the volleyball calendar. Volleyball Horsham has successfully staged their annual tournament for 23 years, and the fun and enjoyment that players have experienced at that event, will hopefully be translated to the Country Champs. A considerable amount of work is being done to market the event, with posters encouraging participation to be distributed under separate cover.

Please make the effort to display these posters in your regular playing venues. We are particularly keen to encourage teams from associations in as many divisions as possible. If your association competes in Division One, then why not encourage Division Two as well - we are sure they will benefit from the competition and gain a great deal of enjoyment out of participating.

If you require additional explanation of the tournament regulations please contact us so as we can clarify any issues before you make a final decision on entries. A summary of the major regulations and changes from last year is attached. It will assist planning for everyone if associations register early - you will have adequate time to confirm final entries.

Divisions

Senior: The event offers Division 1 and 2 for Men and Women and Division 3 if entries allow. The organising committee encourages Associations to enter multiple teams, and if it means the creation of a division 3 to cater for these teams every effort will be made to accommodate them.

Accommodation

Teams are encouraged to secure accommodation as early as possible. Horsham Visitor Information Centre offers a free booking service and will chase around to find the sort of accommodation that you require.

Regulations

Please be advised there are changes to the regulations following last year's championships and they are attached.
